Pray

How does God feel when His people obey? God delights in total obedience, but we all sin and need a Savior. As you pray with your kids thank God for His love and grace that doesn't change (no matter how much we mess up), and pray for help seeing where we can better obey Him in our daily life.

Younger Kids

On a sheet of paper write the word "obey." Help your kids draw a heart around the word to represent that we obey God because He love us and wants what is best for us. Finish decorating the picture and hang it up as a reminder.

Older Kids

Write in the center of a sheet of paper (or have your kids write) "obey." Then draw a heart around the word to represent that we obey God because He love us and wants what is best for us. Brainstorm and then illustrate around the heart examples of what it looks like to obey God.
